

Company Profile

Costamare Inc. is one of the world's leading owners and providers of containerships for charter. The Company has 45 years of history in the international shipping industry and a fleet of 78 containerships, with a total capacity of approximately 548,000 TEU, including five newbuild containerships under construction. Eleven of our containerships have been acquired pursuant to the Framework Deed with York Capital Management LLC by vessel-owning joint venture entities in which we hold a minority equity interest.

Investment Highlights

- Large, established company with a substantial fleet in the water
- Strong, visible cash flows
- Strong track record of value creation
- A company that is uniquely positioned to grow
- Significant purchasing power and balance sheet capacity to spend on acquisitions
- A management team whose risk management strategy has been tested and who successfully overcame the worst container shipping crisis in history

This Fact Sheet contains "forward-looking statements" within the meaning of the United States Private Securities Litigation Reform Act of 1995. In some cases, you can identify these statements by forward-looking words such as "believe", "intend", "anticipate", "estimate", "project", "forecast", "plan", "potential", "may", "will", "should", "could" and "expect" and similar expressions. These statements are not historical facts but instead represent only the Company's assumptions, expectations, projections, intentions and beliefs regarding future events, many of which, by their nature, are inherently uncertain and outside of the Company's control. It is possible that actual results may differ, possibly materially, from those anticipated in these forward-looking statements. For a discussion of some of the risks and important factors that could affect future results, see the discussion in Costamare Inc.'s most recent Annual Report on Form 20-F (File No. 001-34934) under the caption "Risk Factors".
