**PROXY STATEMENT FOR  
2024 ANNUAL MEETING OF STOCKHOLDERS  
TO BE HELD ON THURSDAY, OCTOBER 3, 2024**

**INFORMATION CONCERNING SOLICITATION AND VOTING**

---

GENERAL

The enclosed proxy is solicited on behalf of the Board of Directors (the “Board”) of Costamare Inc., a Marshall Islands corporation (the “Company”), for use at the 2024 Annual Meeting of Stockholders to be held virtually at 12:00 p.m. CET, on Thursday, October 3, 2024 at [www.virtualshareholdermeeting.com/CMRE2024](http://www.virtualshareholdermeeting.com/CMRE2024), or at any adjournment or postponement thereof (the “Meeting”), for the purposes set forth herein and in the accompanying Notice of the Meeting. This Proxy Statement, the accompanying proxy card and the Company’s 2023 annual report are expected to be mailed on or about August 9, 2024 to the stockholders of the Company entitled to vote at the Meeting.

VOTING RIGHTS AND OUTSTANDING SHARES

On August 5, 2024, the Company had outstanding 119,463,224 shares of common stock, par value \$0.0001 per share (the “Common Stock”). Each stockholder of record of Common Stock at the close of business on August 8, 2024 is entitled to one vote for each share of Common Stock then held. A majority of the Common Stock issued and outstanding and entitled to vote at the Meeting, the holders of which are present virtually or represented by proxy, shall constitute a quorum for the transaction of business at the Meeting. The Common Stock represented by any proxy in the enclosed form, or any other form meeting the requirements of Marshall Islands law, will be voted in accordance with the instructions given on the proxy if the proxy is properly executed and is received by the Company prior to the close of voting at the Meeting. Any signed proxies returned without instructions will be voted FOR the proposals set forth on the Notice of 2024 Annual Meeting of Stockholders. As of August 5, 2024, Konstantinos Konstantakopoulos, Christos Konstantakopoulos and Achillefs Konstantakopoulos and their immediate family beneficially owned 34,625,740 shares, 19,051,588 shares and 22,420,722 shares, respectively, or approximately 29.0%, 16.0% and 18.8%, respectively, of our outstanding Common Stock. In the aggregate, as of August 5, 2024 they own 76,098,050 shares, or approximately 63.7% of our outstanding Common Stock.

The Common Stock is listed on the New York Stock Exchange (the “NYSE”) under the symbol “CMRE”.

On August 8, 2024, the Company also had outstanding 1,970,649 shares of 7.625% Series B Cumulative Redeemable Perpetual Preferred Stock (the “Series B Preferred Stock”), 3,973,135 shares of 8.50% Series C Redeemable Perpetual Preferred Stock (the “Series C Preferred Stock”) and 3,986,542 shares of 8.75% Series D Cumulative Redeemable Perpetual Preferred Stock (the “Series D Preferred Stock” and, together with the Series B Preferred Stock and the Series C Preferred Stock, the “Preferred Stock”). On July 15, 2024, the Company completed the previously announced redemption of all of the Company’s outstanding shares of its 8.875% Series E Cumulative Redeemable Perpetual Preferred Stock (the “Series E Preferred Stock”), and as of July 15, 2024, no shares of Series E Preferred Stock remain outstanding.

The Company’s Common Stock is the only class of its stock carrying full voting rights. Holders of the Preferred Stock generally have no voting rights except (1) in respect of amendments to the Company’s Articles of Incorporation which would adversely alter the preferences, powers or rights of the Preferred Stock or (2) in the event that the Company proposes to issue any parity stock if the cumulative dividends payable on outstanding Preferred Stock are in arrears or any senior stock. However, if and whenever dividends payable on the Preferred Stock are in arrears for six or more quarterly periods, whether or not consecutive, holders of Preferred Stock (for this purpose the Series B, Series C and Series D Preferred Stock will vote together as a single class with all other classes or series of parity stock upon which like voting rights have been conferred and are exercisable) will be entitled to elect one additional director to serve on our Board, and the size of our Board

will be increased as needed to accommodate such change (unless the size of our Board already has been increased by reason of the election of a director by holders of parity stock upon which like voting rights have been conferred and with which the Preferred Stock voted as a class for the election of such director). The right of such holders of Preferred Stock to elect a member of our Board will continue until such time as all accumulated and unpaid dividends on the Preferred Stock have been paid in full. Holders of the Preferred Stock are not entitled to vote on the proposals set forth in this Proxy Statement.

The Series B Preferred Stock, Series C Preferred Stock and Series D Preferred Stock are listed on the NYSE under the symbols “CMRE PR B”, “CMRE PR C” and “CMRE PR D”, respectively.

#### REVOCABILITY OF PROXIES

A stockholder giving a proxy may revoke it at any time before it is exercised. A proxy may be revoked by filing with the Secretary of the Company at the Company’s offices at 7 rue du Gabian, MC 98000 Monaco, a duly executed proxy bearing a later date, by filing with the Company, at the above address, a written notice of revocation or by attending the Meeting and voting virtually.

**ELECTION OF CLASS II DIRECTORS**

It is expected that each nominee will be able to serve, but if before the election it develops that a nominee is unavailable, the persons named in the enclosed proxy card will vote for the election of such substitute nominee as the current Board may recommend.

Each Class II Director nominee shall be elected by a plurality of the votes cast at the Meeting.

### **Independence**

The Board has determined that Ms. Stratos and Mr. Møller are independent within the current meanings of independence employed by the corporate governance rules of the NYSE and the SEC.

## **Compensation of Directors**

Our independent, non-executive directors receive annual fees in the amount of \$80,000, plus reimbursement for their out-of-pocket expenses. Our non-independent directors (including our officers who serve as our directors) do not receive any compensation for their service as directors. We do not have any service contracts with our non-executive directors that provide for benefits upon termination of their services.

## **Compensation of Senior Management**

We do not pay any compensation to our officers for their services as officers or directors. Our officers are employed by Costamare Shipping or Costamare Services and/or Costamare Bulk Inc.

## **Board Practices**

We have five members on our Board. The Board may change the number of directors to not less than three, nor more than 15, by a vote of a majority of the entire Board. Each director shall be elected to serve until the third succeeding annual meeting of stockholders and until his or her successor shall have been duly elected and qualified, except in the event of death, resignation or removal. A vacancy on the Board created by death, resignation, removal (which may only be for cause), or failure of the stockholders to elect the entire class of directors to be elected at any election of directors or for any other reason, may be filled only by an affirmative vote of a majority of the remaining directors then in office, even if less than a quorum, at any special meeting called for that purpose or at any regular meeting of the Board.

We are a “foreign private issuer” under the securities laws of the United States and the rules of the NYSE. Under the securities laws of the United States, “foreign private issuers” are subject to different disclosure requirements than U.S. domiciled registrants, as well as different financial reporting requirements. Under the NYSE rules, a “foreign private issuer” is subject to less stringent corporate governance requirements. Subject to certain exceptions, the rules of the NYSE permit a “foreign private issuer” to follow its home country practice in lieu of the listing requirements of the NYSE. As permitted by these exemptions, as well as by our bylaws and the laws of the Marshall Islands, we currently have a Board with a majority of non-independent directors and a combined corporate governance, nominating and compensation committee with one non-independent director serving as a committee member. As a result, non-independent directors, including members of our management who also serve on our Board, may, among other things, fix the compensation of our management, make stock and option awards and resolve governance issues regarding our company. In addition, we currently have an audit committee composed solely of two independent committee members, whereas a domestic public company would be required to have three such independent members. Accordingly, in the future you may not have the same protections afforded to stockholders of companies that are subject to all of the NYSE corporate governance requirements.

## **Committees of the Board**

### *Audit committee*

Our audit committee consists of Vagn Lehd Møller and Charlotte Stratos. Ms. Stratos is the chairperson of the committee. The audit committee is responsible for:

- the appointment, compensation, retention and oversight of independent auditors and approving any non-audit services performed by such auditors;

- handling such other matters that are specifically delegated to the audit committee by the Board from time to time.

*Corporate governance, nominating and compensation committee*

Our corporate governance, nominating and compensation committee consists of Konstantinos Konstantakopoulos, Vagn Lehd Møller and Charlotte Stratos. Mr. Konstantakopoulos is the chairman of the committee. The corporate governance, nominating and compensation committee is responsible for:

- nominating candidates, consistent with criteria approved by the full Board, for the approval of the full Board to fill Board vacancies as and when they arise, as well as putting in place plans for succession, in particular, of the chairman of the Board and executive officers;

## STOCKHOLDER PROPOSALS FOR ANNUAL MEETING

Our Bylaws provide that stockholders seeking to nominate candidates for election as directors or to bring business before an annual meeting of stockholders must provide timely notice of their proposal in writing to our Secretary. Generally, to be timely, a stockholder's notice must be received at our principal executive offices not less than 90 days or more than 120 days prior to the first anniversary date of the previous year's annual meeting of stockholders. Our Bylaws also specify requirements as to the form and content of a stockholder's notice. These provisions may impede stockholders' ability to bring matters before, or to make nominations for directors at, an annual meeting of stockholders. Individuals proposed as candidates for election as director by stockholders in accordance with these procedures will receive the same consideration, which was given to individuals identified through other means to the corporate governance, nominating and compensation committee.

Stockholders who wish to send communications on any topic to the Board may do so by writing to our General Counsel and Secretary, Mr. Anastassios Gabrielides, at Costamare Inc., 7 rue du Gabian, MC 98000 Monaco.

## SOLICITATION

The cost of preparing and soliciting proxies will be borne by the Company. Solicitation will be made primarily by mail, but stockholders may be solicited by telephone, e-mail or personal contact.

## **OTHER MATTERS**

No other matters are expected to be presented for action at the Meeting. Should any additional matter come before the Meeting, it is intended that proxies in the accompanying form will be voted in accordance with the judgment of Anastassios Gabrielides and Gregory Zikos, the persons named as proxy holders in the proxy.
