### **Management Commentary**

Gregory Zikos, Chief Financial Officer of the Company said: "In line with our dividend policy, the Board of Directors declared our third quarterly dividend since we commenced trading on the New York Stock Exchange".

"As our distribution capacity increases, our contracted cash flows, together with our conservative capital structure, provide us with the ability to pay what we consider to be a safe dividend without affecting our growth plans. Our goal is to increase our dividend payments over time, consistent with our dividend policy, in order to reward our shareholders for their trust and commitment to the Company."
