Costamare Inc. Announces New Acquisition and New Chartering Arrangements

ATHENS, GREECE – August 27, 2012 – Costamare Inc. (the “Company”) (NYSE: CMRE) announced today that it has agreed to purchase the 1997-built container vessel *Messini* (ex. *Pembroke*) and to charter the vessel for a period of approximately 18 months. The Company has also agreed to charter the existing vessel *Konstantina*.

In particular, the Company has agreed the following:

- (a) To purchase the 1997-built, 2,458 TEU container vessel *Messini* (ex. *Pembroke*) for \$6.8million. The vessel was delivered on August 2, 2012. The acquisition has been entirely financed with equity. The Company also agreed to charter the vessel with Evergreen for a period of approximately 18 months at a daily rate of \$8,100. The vessel is expected to be delivered to her charterers by September 23, 2012.
- (b) To charter the 1992-built, 3,351 TEU container vessel *Konstantina* with Evergreen for a period of approximately one year at a daily rate of \$ 7,550. The vessel is expected to be delivered to her charterers in October 2012.

Management Commentary

Gregory Zikos, Chief Financial Officer of the Company commented:

“We continue to execute on our strategy by taking advantage of attractive asset values. The purchase price for the *Messini*, which is close to her estimated scrap value, together with the time charter arranged, allow us to generate healthy returns and eliminate residual value risk.”

“At the same time we fixed two vessels at favorable rates considering previous fixtures and the current market environment. We have reduced our re-chartering risk for the coming years. The charters for the vessels coming out of employment during the remainder of 2012 and 2013 account for 1.6% and 4.2% of our 2012 and 2013 contracted revenues respectively.”
